INSTRUCTIONS

1. Paint the main section of the mug with 3 coats of Turquoise.
2. Use a liner brush to paint the top and bottom sections (inside the rims) with 3 coats of Perfectly Purple.
3. Paint the rims, the handle, and inside the mug with 3 coats of Battleship.
4. When the mug is dry, use a pen to trace on the NCR dragon pattern by pressing firmly along the lines.
5. Use a detail and liner brush to paint in the dragon with 3 coats of Licorice.
6. Use the water-based marker to sketch out any writing if desired, then trace over the letters with 1 coat of Licorice using a detail brush.

TIPS

- 3 coats of paint will give you a solid color.
- The harder your press on your brush, the heavier the line will be. Use even gentle pressure for thinner lines.
