INSTRUCTIONS

1. Using a fan brush, paint two coats of #31 black.

2. Place masking tape straight across the lower third of the plate. Using a large flat brush, paint two coats of #66 pink on the bottom third. Allow the paint to dry between coats.

3. Use the sgraffito tool to scrape away your design in the still-wet pink paint.

4. Allow the pink paint to dry completely. Then place one strip of masking tape on top of the pink paint, marking the other side of the same edge.

5. Paint two coats of #88 white. Allow paint to dry in between coats.

6. Use the sgraffito tool to scrape away your design in the still-wet white paint.

7. Glaze and fire.
